

Quality Tools for Smart Cleaning

ErgoTec® CARBON

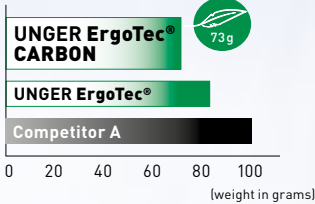

Inspired by the success: The new **ErgoTec® Carbon** was constructed based on the ground-breaking design of the first **UNGER Carbon fibre handle** ever which was launched in 2014.

This superlight handle, made of premium carbon fibre material, is designed to deliver flawless performance with minimum fatigue – even after hours of intense cleaning. So work will be faster and easier for you.

THE LIGHTEST PROFESSIONAL SQUEEGEE HANDLE

Each hand-crafted handle is meticulously inspected to ensure the highest quality of finish and guarantee ultimate performance.

- **18% lighter** than bi-component **ErgoTec®** squeegee handle

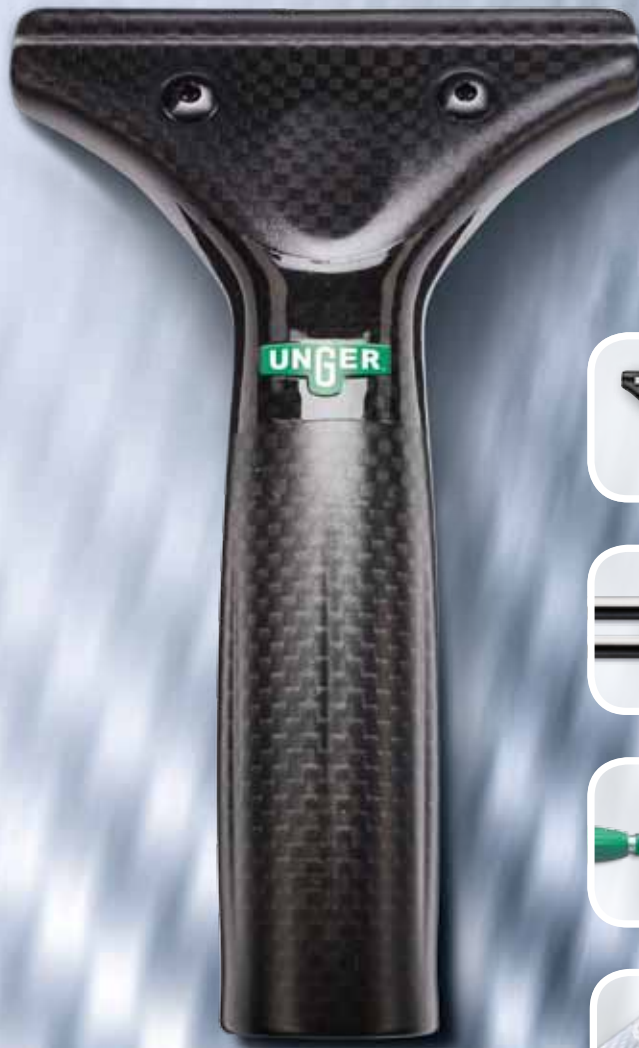

- **Premium materials**
Handle: High value Carbon fibre
S-Spring: Stainless steel
- **Anti-slip coating**
for reliable grip
