

Quality Tools for Smart Cleaning

nLITE HYDRO POWER XXXL

**Fully Integrated
Trailer System**
with RO Filter + 750l Water Tank

**Total flexibility for producing
and transporting 100% pure water
for water fed pole cleaning!**

Quality Tools for Smart Cleaning

UNGER nLite HydroPower™ XXL RO.

- Fully Integrated Trailer System with Reverse Osmosis Filter and 750l Water Tank
- Total flexibility for producing and transporting 100% pure water for water fed pole cleaning!

HIGH PERFORMANCE AT A GLANCE:

- Pure Water tank capacity: 750L.
- 1 or 2 man operation via 2 hose reels and 2 x 12V (150 psi) pumps.
- 2 high quality 100m hoses for optimal reach.
- Pure water output - up to 250l per hour per person.
- Digital controller monitors water flow, pressure and battery power.
- Control water flow manually or by wireless remote control.
- 3 stage water purification production with dedicated 12V (150 psi) pump. (Carbon Pre-filter, RO Membrane and **nLite HydroPower™ DI Filter Polisher**).
- Integrated TDS meter.
- High capacity 12 Volt Gel battery offers 'all day' operation before requiring recharge.
- Maintenance free 210 amp hour Gel battery with mains charger supplied.

MOBILITY:

Suitable for vehicles with towing capacity of 1.300kg. High capacity baffled tank integrated into lightweight chassis for easy towing. DOT road specification, single axle, integrated lights and indicators with brake assist. Supplied with european standard coupling, jockey wheel and manual parking brake. Conforms to EU regulations.

SAFETY:

The multi-chamber tank design with low centre of gravity is designed to maximise stability during transportation. Also includes Auto Shut Off features, activated during water production mode when the tank becomes full and during use when the TDS of the outgoing water measures 5ppm (can be changed to lower or higher number).

NEW

FLEXIBILITY:

The flow rates for Wash modes can be adjusted anytime at the digital control panel. This allows the operator(s) to choose more or less powerful flow rates to suit the cleaning job, saving and conserving water when less intense water flow is needed. You can also switch between Wash and Rinse modes at the touch of a button using the wireless remote control.

CONVENIENCE:

Integrated storage compartment fits up to 6 water fed poles up to 1,91m long, with side storage areas for brushes, safety signs and other accessories.
